THE NEW ATTORNEY GENERAL.

Amos T. Ackerman was born in Portsmouth, N. H., in 1822, and graduated at Dartmouth College, and went South in 1843, and took up his residence in Elberton, the county seat of Elbert county, about 70 miles north of Augusta, where he studied law under Judge Bryan, and joined the Whig party, with whom he acted until 1860, when he at first opposed the secession of his adopted State, but finally succumbed to the pressure and enlisted

IN THE REBEL ARMY,

and was given a place upon the staff of the rebel General Toombs, with whom he was a great favorite. He did not, however, win an especial distinction upon the field of battle, and never rose even to the rank of Brigadier General, when the bubble burst, and he, of course accepted the situation, and urged upon the people that they try to make the best of what was left, and recuperate as soon as possible. In 1868, though not professing Republicanism, he saw Grant was the coming power and announced himself in his favor for the Presidency, and his name was finally placed at the head of Grant's electoral ticket in Georgia. When Grant came into power his disabilities were removed, and he was made District Attorney for Georgia, which position he now holds, having been confirmed by the Senate because he was the best of all the material there. He was a member of the Constitutional Convention which made the present Constitution of Georgia, and in that body tried to get a clause in which would allow colored men to hold office—He was opposed to Bullock being made Provisional Governor. Did not support him then, and does not now.

Last winter, when the South was being hunted over for a Supreme Judge, the President found him, and told several Senators if Bradley was not confirmed he would nominate Mr. Akerman for that office. The little danger that Bradley was in then of being rejected quickly vanished, and he was promptly confirmed, as the Senate had dread of seeing upon the Supreme Bench a man who had worn the rebel uniform, and they disliked to have any quarrel with the President.

Mr. Akerman was not a candidate for this position, and is not acquainted with a member of the Cabinet, and has no experience whatever in national politics, or in that line of opinions in which an Attorney General is called upon to decide. He is now in Elberton or Augusta, Ga., and the first intelligence he will receive of the prize he has drawn in the grand national lottery will be the telegram he sees in the newspapers, or the arrival of the letter from the President tendering him the place.

ANTIQUITY OF MAN IN THE UNITED STATES.—Col. Charles Whittlesey has obtained evidence of the existence of two races of man, and possibly of a third intermediate race, as having held possession of the northern portion of the American continent—the more recent of them being the North American Indian or red man; the earlier race he terms the mound builders. The antiquarians of Europe regard the people who used flint instruments as being prior to those who had implements of stone; and the latter, again, as older than the races using bronze or other metals. In the United States the race next prior to the white man had very few implements of stone; their knives and arrowheads, their war implements, and their agricultural tools were almost entirely of flint; they had very few and rude instruments of native copper. The mound-builders, on the contrary, who preceded the red men, produced and used tools in the reverse order; their axes, adzes, mauls were very numerous, and sometimes of stone; their copper tools abundant; but those of flint very rare. Hence, in this instance, the most ancient people were the most industrious; they cultivated the soil; they possessed more mechanical ingenuity, and left more prominent and permanent monuments. On the Atlantic coast, from Nova Scotia to Florida, are numerous shell heaps, industrial with those of Sweden, Norway and Denmark, and known as kjoken moddings. The examination of several caves gave bones of the wolf, deer, bear, rabbit, etc., mixed with skulls of the red race, and not dating back apparently more than 2000 years. Col. Whittlesey estimates 2000 years as the period also of occupation by the mound building race, which does not take us back so far as the beginning of the historical period in Asia and Africa.

BARGAIN, INTRIGUE AND CORRUPTION. It is publicly charged in the papers and on the stump and elsewhere, and in the presence of the parties, that Judge Thomas Bridge Sett's desires to leave the Supreme Court Bench, and put thereon in his place Samuel F. Phillips, Esq. To effect this change Samuel has been nominated for Attorney General, and is now engaged in canvassing the State. It is hoped that he will be able to give such aid as will enable the Radicals to certainly elect a majority of the next Legislature. If this end is attained, then Thomas Bridge Settle is to be elected to the Senate of the United States instead of Joseph C. Abbott, and S. F. Phillips, the great calculator, is to be elected to the Supreme Court bench to fill the vacancy occasioned by the timely resignation of Thomas Bridge Settle, and my son, Louis Olds, will be re appointed by his Excellency, William Woods Holden, Attorney General.

In other days such corrupt, scheming politicians would be not only denounced by every honest man in the State, but indignantly frowned down from every stand for such loose political chicanery. But the people have become so indifferent to these things that the office holders presume upon their ignorance or indifference to do as they please. No wonder the country mourns.—Greensboro' *Patriot*.

An unmarried female physician having caused to be printed and circulated a medical lecture to the working-women of London, in which, amongst much good advice, she introduced an admonition to the poor women to attend to the "wise rule" of not burdening the household with more children than it could bear, and which, she said, could be managed by attending to certain "physiological laws which should be known to parents." Sir G. Y. Simpson was applied to by a London physician to say what the physiological laws the young doctress referred to were. He telegraphed back that he could not say, not having the same opportunity of knowing them as an initiated spinster.

WALTHAM

WATCHES.

THE EXTENSIVE USE OF THESE WATCHES for the last fifteen years by Railway Conductors, Engineers, and Expressmen, the most exacting of watch-wearers, has thoroughly demonstrated the strength, steadiness, durability and accuracy of the Waltham Watch. To satisfy that class in all these respects, is to decide the question as to the real value of these time-keepers.

More than 430 000 of these watches are now speaking for themselves in the pockets of the people—a proof and a guarantee of their superiority over all others.

The superior organization and great extent of the Company's Works at Waltham, enable them to produce watches at a price which renders competition futile, and those who buy any other watch, merely pay from 25 to 50 per cent. more for their watches than is necessary.

We are now selling Waltham Watches at less prices in greenbacks, than the gold prices before the war. There is no other manufacture of any kind in the United States of which this can be said.

These time-pieces combine every improvement that a long experience has proved of real practical use. Having had the refusal of nearly every invention in watchmaking originating in this country or in Europe, only those were finally adopted which secure lasting by the most skilful artisans in our works, and long use on the part of the public demonstrated to be essential to correct and enduring time-keeping.

Among the many improvements we would particularize:

The invention and use of a centre-pin of peculiar construction, to prevent damage to the train by the breakage of main springs, is original with the American Watch Company, who, having had the refusal of all other contrivances, adopted Fogg's Patent pinion as being the best and faultless.

Hardened and tempered hair springs, now universally admitted by watchmakers to be the best, are used in all grades of Waltham Watches.

All Waltham Watches have dust-proof caps, protecting the movement from dust and lessening the necessity of the frequent cleaning necessary in other watches.

Our new patent stem-winder, or keyless watch, is already a decided success and a great improvement on any stem-winding watch in the American market, and by far the cheapest watch of its quality now offered to the public. To those living in portions of the United States where watchmakers do not abound, watches with the above mention d improvements which tend to insure accuracy, cleanliness, durability and convenience, must prove invaluable.

Every watch guaranteed by the Company.

To prevent imposition, buyers should see that every watch should bear either of the following trade marks.

American Watch Co.,	Waltham, Mass.

"TURNER, WITH THE CONTUMACIOUS LEADERS, OUGHT TO BE HANDLED AT THE PROPER TIME."

Thus spake Governor Holden, on the 26th day of October, 1865, when he was the provisional satrap of Andrew Johnson, lording it over the people and threatening to silence the Milton *Chronicle* and other papers, and to seize and confiscate the property of Dr. Hawkins and George W. Mordecai, Esq.

Hitherto the Governor's attempts to "handle" us have not succeeded. It remains to be seen whether his attempts to inaugurate a reign of terror in North Carolina by the agency of Kirk and his horde of Brigadier Generals, standing army and minute men, shall prove more successful than his former efforts to "handle Turner and other contumacious leaders."

We tell the Governor we are not to be hunted down by the bellions and hounds of his secret society. We know he is, to-day, the head centre and moving spirit of the leagues. We have a charter signed by "W. W. Holden," as President of the leagues, to organize one of these hells in the county of Rowan.

The Governor authorizes his son Joe to say he is no longer President of the Leagues; Jordan Potter, one of the Vice Presidents, in Granville county, declared this to be false, and that the Governor was still President, and that, too, after the Governor and his son Joe had denied it.

The Governor has been crying "havoc," and has now "let slip the dogs of war."—We call upon him again to "shake hands with the King of the Ku Klux," and restore quiet to the country, by each one disbanding his lawless bands which have disturbed the peace and quiet of the people.

Let the Governor dissolve his secret society of negroes, for he has said, time and again, that "secret political societies and a Republican government cannot exist together." We say, as we have said repeatedly, that neither life nor property can be safe when the members of two secret societies are each endeavoring to outstrip the other in acts of lawlessness.

For twelve months the peace of our own family has been disturbed by anonymous communications, threatening our life and warning Mrs. Turner to keep her children indoors, or they would "come up missing." On Tuesday last a friend wrote us from Hillsboro', not to come home on the day train, for there were armed leaguers in the woods between the station and our residence. We did not follow the advice, however, and took the day train.

At Durham station we were informed that the Sheriff with a *posse* had routed and fired upon armed negroes who had been lying for a week about our house.—On reaching home we found that the quiet of our family had been daily and nightly disturbed by eight armed negroes, with canteens and haversacks, repeated showing themselves. At one time they were seen lying in the oats, by the side of the way we would have to pass in going from the station to our home; at another time two of them were seen in an old out house on our place, an out house we always pass on going to our farm.

On Monday last, Mr. John Blackerwood, Deputy Sheriff, accompanied by Thomas Wilborne, D. Laws, Ed. Brown, James Carmichael, Howard Heart, Alexander Pleasants, Thomas Turner and Frank Taylor, went in pursuit of this squad of the Governor's leaguers, (or, perhaps, some of them,) who were lying in ambush for us.—Mr. Laws came in sight of, and fired twice at one of the Governor's friends, as he ran through a pine thicket on a plantation adjoining our premises, but the distance was too great for the shots to bring him down.

We call the man the Governor's friend, because it was thought to be Ledbetter, who broke jail in Hillsboro recently; the same who was pardoned out of the Penitentiary by the Governor, after having been sentenced for twenty five years by Judge Henry.

We call on the Governor to dissolve his Leagues and call his bloodhounds off our track. We are tiring of the chase; we shall presently lose our patience and forfeit our character for prudence and moderation.

We do not believe in rash men; rash words, or rash acts. When our patience, forbearance and moderation are all exhausted, the public will make some allowance for the exhibition of anger of one who is hounded down by a set of political tricksters and villains, who control 80,000 ignorant negroes through secret cabals and horrid oaths.

REVEREND THOMAS ALLEN PAISLEY.

We "interviewed" this reverend divine on the train, yesterday, as Sheriff Murray was taking him to the Penitentiary.

When we saw him with his arms pinioned behind him by a strong cord, we thought it a great pity that Rev. James S. Sinclair and a few others of the rascally divines who sat in the late Legislature, were not accompanying their Reverend brother Thomas Allen Paisley.

This colored Ku Klux preacher informed us that he was raised by the widow Paisley, of Alamance; that he never attended but one meeting of his Company, and that was in Albright township, No. 7, at an old school house. (Nice business for Pilgrim Ashley to have his school rooms used for the meetings of Ku Klux.)

There were in the room, he says, about twenty five men, mostly white; but strange to say, the Reverend Thomas could not call the name of a single one of them, except those who had been detected.

He says that he and four other negroes went out disguised, calling themselves Ku Klux, and whipped right and left, and it was charged upon the white people.

(Think of that, Governor.) When Morrow Fe eland, Anderson Coble, and Michael Freeland were whipped by him and his squad, they charged it upon the white Ku Klux.

(We wronged the Ku Klux in charging these whippings upon them, at the time they occurred. Is this we were wrong. But we shall not depart from our rule of charging all the hanging and whipping to the Ku Klux, and all the arson, rapes and larcenies to the leagues, except in such cases as this of Paisley's, in which the leagues did the ku kluxing.)

The Rev. Paisley further informed us that he knew Outlaw who was long at Graham; that he had heard him say he had shot at the Ku Klux, and that he was "bold to proclaim it to every man in Graham, that he had shot at them and that he would do so again wherever he could find them." In this Outlaw was following the advice of the *Standard*.

Paisley said, his sentence to the Penitentiary for six years was a much lighter one than he expected. We do not mention this to prevent the Governor pardoning him, but to show Tourgee's leniency.

SHERIFF MURRAY OF ALAMANCE.

This estimable officer and gentleman, so much complained of by the Governor, makes his appearance in the city in charge of three Penitentiary convicts; recently convicted of disguising themselves as Ku Klux and badly whipping a man of their own color. (We believe, honestly, that this thing is being pretty extensively practiced now.)

The Governor complained that Sheriff Murray did not arrest Ku Klux; and now, we have no doubt, he will complain that, instead of white Ku Klux he arrested black ones. But, as Paisley, one of the convicts, was proved to be the Captain of two negro Ku Klux bands in that county, it is probable that this was the only kind there.

But Sheriff Murray will fever please the Governor, unless he will turn Radical like Phillips, Badger and Clingman have done, and he don't think he will do that, if he knows himself.

DON'T FRET!

The *Standard* is uneasy about old line Whigs getting so many nominations from the Conservative party. He says the "Old Democrats swear they will not submit to it." These Democrats who thus swear, must be Joe and the old man, for the Democrats and Whigs, that is, those who used to belong to those party organizations, are now working shoulder to shoulder to oust this present burdensome, extravagant, and dishonest administration from place and power.

Don't fret, Joseph! Democrats helped make the Conservative nominations, they did it with their eyes open; they knew what they were doing; they don't want any condolence or whining over their sad and desolate condition, especially from those who give the votes to the colored men and take all the offices to themselves—wouldn't even give Moses Patterson a chance for the pitiful office of Coroner.

What will Joe think when we inform him that Durham happens to have been an old line Democrat all his life?

For the Sentinel.

ALAMANCE COUNTY, June 24, 1870.

MR. EDITOR:—Although the county of Alamance, by proclamation of one "Governor Holden," is declared to be in such a state of insurrection and rebellion that the civil law cannot be executed, and that life, liberty and property are entirely at the mercy of the mob, still things have been sufficiently quiet to allow Judge Tourgee to hold a term of the Superior Court at Graham, commencing on Monday the 13th inst. and closing at 12 o'clock on Friday, the 17th. The last duty performed by the Judge before the adjournment of the Court was one of the most solemn, and I suppose unpleasant duties attached to the position, that is to pass sentence of death upon a fellow being. The last case tried during the term was that of the State vs. Andrew Tarpley, negro boy about eighteen or nineteen years of age, indicted for having committed a rape upon the person of a little white girl, between seven and eleven years old, named Bettie Loy. The facts in this case, as proven by the State upon the trial were, in substance as follows:

On the 6th day of April last, Mr. Dowdy, (who lives two miles above Company Shops and with whom Bettie Loy, at the time, resided,) sent Bettie to Mr. Lee's store, at the Shops, to get some Kerosene oil. As Bettie went into the store she saw a negro boy standing by a post near the door; she remained in the store a short while, got the oil and started for home—did not see the negro as she came out of the store. She proceeded on her way, and when about a half a mile from the shops, as she was going through a piece of woods, she discovered the same negro whom she had seen at the store door, standing by a tree, near the side of the road; as she came near, the negro approached her and made known his intentions; she screamed and started to run, the negro caught her, seized her by the throat, dragged her some fifty yards from the road into the sawmill and then carried into execution his hellish purpose, the negro jumped up and ran off. Little Bettie went immediately home and told Mr. and Mrs. Dowdy the facts as stated. From the description which she gave of the negro, Mr. Dowdy suspected Andrew Tarpley was the boy who lived in the neighborhood. Mr. D. went forthwith to a justice and procured a State warrant upon which Tarpley was arrested and brought for trial. As soon as little Bettie came into the room where the trial was going on she recognized and pointed out Tarpley as the negro who had so brutally outraged her. Tarpley was then committed to Alamance Jail to await his trial in the Superior Court. He averred his innocence until the evening (Tuesday) before his trial, when by knocking on the iron of his window he called the jailor to his cell. The jailor went in and desired to know what he wanted. Tarpley replied, I wish to make a confession, I am guilty of the crime of which I am charged. I did ravish the little girl, Bettie Loy, but did it innocently. These are the facts as submitted and upon which the jury after a short absence returned a verdict of guilty. The States Attorney prayed the judgment of the Court and Andrew Tarpley was sentenced to be hung on Friday the 19th day of August 1870.

Another case was tried during the week in which the people manifested considerable interest, this was the State vs. Allen Paisley, Oscar Albright and Dock Thompson, three negroes upon an indictment for Ku Kluxing. All three of the defendants submitted. The only evidence profduced before the Court was the testimony of the two defendants Oscar and Dick, who were introduced by the defence upon the submission. They agreed in their statements which were about as follows. In the latter part of February last about eight or nine o'clock at night, the defendant Allen Paisley, in company with two other negroes named Duke Hatmaker and James Foust, called upon the defendants, Oscar and Dock. Paisley who was spoken of for the company asked these two (Oscar and Dick) if they did not have something against some of the negroes. Oscar and Dick replied they had not. Paisley then told them that Duke, Jim and himself belonged to the Ku Klux—were out on a raid that night and wanted Oscar and Dick to go with them. Oscar and Dick said to Paisley that they did not wish to have anything to do with the Ku Klux, for the reason that it was reported that Ku Kluxes would be killed if found out. Paisley then raised a club and Jim Foust drew a repeater, and Oscar and Dock were informed that if they refused to go they would be killed forthwith; thereupon, they agreed to go.—Paisly then proceeded to inform them of the nature and objects of the Ku Klux; he said that he not only had a large number in that neighborhood, but that there was also a considerable organization about Graham; and the defendants were further informed that if they ever divulged the secrets of the organization or any of their acts they would suffer death. Disguises were then produced, consisting of a long cap and covering for the face and white shirts. The party after putting on the disguises proceeded under command of Paisly to the house of Henderson Coble, colored. Coble was called out and asked if he belonged to the League, he replied that he did not, Paisly called him a liar and ordered each one of the disguised to give him five blows with their sticks, which they did. Coble was then ordered to go to bed and not to stir until after day light next morning. The disguised party then went to the house of Monroe Freeland and whipped him and another negro, who was spending the night there, both severely. Whilst at Freeland's house Paisly enquired for Allen Paisly, said that Allen was a member of the League and that the Ku Klux would beat him to death if he did not leave that neighborhood.

Upon this evidence Paisly, Thompson and Albright the three defendants were sentenced to the Penitentiary for six years each. Hatmaker and Foust ran away shortly after these facts were arrested. Paisly is a negro of some education, and has been a leader in the League and is in the habit of standing around the polls during elections and threatening colored men who vote against the Radical ticket. He has been known to take down the names of colored men in order, as he said, to report them to headquarters, to be punished for voting against their oath. Paisley has stated since he has been arrested, that the understanding among the members of his organization was, that they should severely whip several colored men in the outset and make the impression upon them as well as all of the colored men, that the whipping had been administered by white men, and thereby inflame the minds of the negroes, induce them to join the organization, and when it had grown to a sufficient strength, white men were to be the subjects of their operations. In fact, on the very night that Coble and Freeland were whipped, Paisley and his disguised band started to the house of Huston Roberts, a highly respectable white citizen who resided in the neighborhood, with the intention of whipping him, but, upon consultation, it was concluded that Roberts' case had better be deferred until some future time when the organization was out in greater force.

Such, sir, are the facts as confessed by these parties since their arrest. I leave you, Mr. Editor, and your readers, if you see proper to publish this communication, to form such conclusions in regard to this Ku Klux affair, and the circumstances connected with it as may appear to be reasonable in the premises.

Yours, &c.,
JUSTICE.

PASQUOTANK COUNTY CONVENTION.

Pursuant to a notice of the Executive Committee of the county, the Conservatives of Pasquotank County assembled in Convention at the Court House in said County on Saturday the 18th inst.

Dr. R. K. Speed, explained the object of the meeting to be, a meeting together of the citizens to take steps for the general good, and to appoint delegates from the various Townships in the county to represent the county in the Congressional nominating convention which assembles in Edenton on the 23rd inst.

On motion W. W. Griffin was called to the Chair and James P. Wheelbee appointed Secretary.

On motion a committee of five consisting of Dr. R. K. Speed, W. F. Martin, J. M. Wheelbee, A. B. Perse and H. G. Spuill were appointed by the Chair to draft resolutions expressive of the sense of the meeting. During the absence of the committee on resolutions, on motion a committee of four was appointed by the Chair to wait on the Hon. Josiah Turner, Jr., of Orange, who was in our place, and request him to address the meeting. The Committee returned in a short time with the Hon. Mr. Turner who addressed the meeting in a speech of nearly four hours length such as is seldom the privilege of any community to hear. He exposed the fraud, corruption and present state administration in a calm, clear and forcible manner, and proved the charges he made to the satisfaction of all present. His remarks were listened to throughout with marked attention and frequently greeted with rounds of applause. After Mr. Turner had concluded his remarks the committee returned and reported the following resolutions which were unanimously adopted:

Resolved, The time has come when it behooves all men whatever may have been their former political associations, who love constitutional liberty and desire to see the form of government established by "The Fathers" resurrected and reverred; who love a Republican form of government when administered by virtue, patriotism and intelligence, because it will yield the "greatest good to the greatest number" and because they believe it will secure to every citizen as much of personal liberty as is consistent with his own and the general good; to combine to save it and its surroundings from the wreck and decay into which it has fallen in the hands of weak, reckless and incompetent men, to strike for the great palladium of Republican liberty, the trial by Jury; the great writ of right, the *habeas corpus*; the right peaceably to assemble for the purpose of consultation; the right to vote and to vote as we please and for whom we please; the right to bear arms for the protection of our person and property, when we deem it necessary; the right to know by what laws we are to be governed and the sacred guarantee of the Constitution, that acts shall only be punishable when criminal at common law, or made so by statute; *and whereas*, the time is now when it behooves all who love themselves and wish to enjoy the fruits of their own honest toil; or have any regard for the dear ones who are to come after them, to combine to throw off the onerous and intolerable burden of taxation imposed upon them by the wicked, reckless, incompetent and dishonest men now in power; imposed not for the purpose of paying the interest or principal of the State debt, not for the purpose of improving the State by the construction of necessary public works, or the education of the children of the State, but imposed solely for the purpose of fattening and pampering the carpet-baggers from abroad and the unprincipled men at home, who have been eating up the carcass and sucking up the blood and spirit of the State since the close of the war; *and whereas* the time has arrived when it behooves all the friends of law, peace and order to combine to suppress the lawlessness, crime arson and murder, lately so common in the land, and to put down the secret organizations in the State through whose instrumentality, most, if not all of it is nurtured and encouraged, if not concocted and executed; *and whereas*, old issues are dead and old parties have performed their destiny and should pass away; be it therefore,

Resolved, By the people of Pasquotank county, in general meeting assembled, that we will without distinction of or regard for previous political associations, unite with any and all patriotic and well disposed persons in suppressing all violence, lawlessness and corruption; and will frown upon, discountenance and assist in the suppression of all violations of the personal, political or material right of any citizen; and will not co-operate with, countenance, aid, or comfort any men or party, known to be in secret combination for political purposes, whether the same be known as Leagues, Ku Klux or by any other name.

Resolved, That the millions of dollars appropriated and squandered by the Ring and rogues that bought the majority of the Legislature with whisky and money, does not constitute a part of the debt of the people and is not binding upon the State, and we the people of Pasquotank county *repudiate the same* and will never willingly consent to be taxed to pay it.

Resolved, That all money duly appropriated and honestly spent in the interest of the State or the education of the children, ought to and must be paid (and while we condemned the large appropriations and onerous taxes imposed upon a ruined and impoverished people) and we will cheerfully bear our just and equal portion thereof.

Resolved, That we recommend to our rulers and Legislators strict economy in the appropriations and expenditures at all times; but especially until the people have had time to recuperate their energies and increase their ability to pay taxes.

Resolved, That we approve and wholly endorse the principles enunciated in the paper issued by the Conservative members of the late Legislature, and known as the "Legislative Address," and will now all legitimate means to maintain and establish them.

Resolved, That we recognize in the SENTINEL a true, faithful, fearless and able friend of law and order, peace, the Constitution and low taxes, and we hereby endorse and recommend it to the favorable consideration and support of the people of Pasquotank county.

Resolved, That the Chairman appoint five persons from each township of the county and ten from the town of Elizabeth City, to attend the Congressional Convention to be held at Edenton on the 23rd of June, inst., and that said delegates be also authorized to represent this county in the Senatorial Convention, to be held for the purpose of selecting two candidates for the Senatorial District, to be voted for at the August election.

And the following preamble and resolutions were also offered and adopted:

WHEREAS, An attempt is now being made by the Radical wing of the Republican party to put into the most responsible offices, within the gift of the people of this county, uneducated, inexperienced, unreliable and wholly incompetent colored men; *And whereas*, a Convention of this party which assembled in Elizabeth City, on the — day of May, 1870, nominated for the office of Sheriff, one Cardoza, a colored man who has lately come among us and unknown to most of the people of this county, and not identified with them in person, property or interest; *and whereas*, we believe the election of such a man to the high, trusty and responsible office of Sheriff would, in all probability, be accompanied with disastrous effects to the tax paying property holders of this county; Therefore,

Be it resolved, That we protest against this action upon the part of the Radical party as a violation of the rights of this people and as an attempt to fasten negro supremacy upon them.

Resolved, That we do not consider the office of Sheriff the object of political contest, and that we in the coming election will consider "honest capability and faithfulness to duty" the best qualification for office.

Resolved, That we accord to the colored man the free use of the ballot which is given him under the law, and claim for ourselves the same right and will allow nothing to deter us in the exercise of it.

After the resolutions had been acted upon by the convention, Dr. Speed and Col. Martin addressed the meeting in brief but eloquent speeches.

The chairman announced the following as delegates to the Congressional convention:

W. F. Martin, Dr. R. K. Speed, J. M. Wheelbee, J. L. Ball, C. C. Allen, A. B. Perse, Wiley G. Burgess, Jacob Salomonsky, C. B. Brothers, L. P. Etheridge, W. Moore, R. H. Leigh, Dr. Spurill, Cincinnatus Nash, Dr. S. K. Saunders, W. H. Weatherly, T. C. Fletcher, W. H. Davis, Stephen Dolon, W. C. Dawson, John Newbold, J. H. Perry, W. T. White, Caleb Sanderlin, J. S. Jones, J. M. White, J. R. Etheridge, Jas. Rainford, M. W. Buffkin, Seth Morgan, Fran Jennings, B. F. Whitehurst, John Davis, John Black and Mark Gregory.

On motion, the chairman and secretary were added to the list.

On motion, the secretary was requested to forward the proceedings to the SENTINEL, Raleigh's News and *Anti Radical*, for publication.

On motion, the convention adjourned.

YOUNG, HEALTHY, VIGOROUS AND CONDUCTED BY A WISE, PRUDENT, AND ECONOMICAL BOARD OF DIRECTORS UPON A

NEW SYSTEM,

devised by its talented and distinguished Actuary CHAS. N. MORGAN, which must make it the leading Company in America, for persons in

MODERATE CIRCUMSTANCES,

and all who appreciate and demand the most UNQUESTIONABLE SECURITY, at rates in most cases, considerably lower than those of the leading Mutual Cash Companies.

The Excelsior issues Policies on all the plans of *Mutual* or *Stock* Companies, extending to policy holders, all the really desirable advantages. Its policies bring non-forfeiture, the insured are privileged to live and travel where they please in any healthy part of the world. They participate in its profits, are allowed to cease from the payment of renewal of premium, a cash surrender value of policy, *and a privilege* which has never been offered by any other Company, that of converting Policies into

ANNUITY BONDS,

after the payment of 5 or more annual premiums.

☞ Hitherto, I have been restricted in the very popular Company which I had the honor to represent to *Stock rates* alone, which are of the *Mutual*, and raised Companies have adopted. This disadvantage, together with the multiplication of many new Companies in this state who claimed to possess unusual charms, together with the extraordinary attractions presented by the Excelsior induced me to accept the management of that Company, where plan combines all the popular features of other Companies, represented in this State, without an exception, and the additional privilege of converting policies, which the holder can not afford to keep up, or wishes to discontinue, because of the death of those for whose benefit the policy was secured, per the *Annuity Bond* which provides an income in cash through life or for a series of years as per offer.

Circulars giving full explanations and any other information, will be cheerfully furnished.

The most liberal arrangements will be made with first class solicitors, to push the Premium forward in the Old North State, so that position which her low rates and most ample security entitle her to occupy.

SPEAKING AT DURHAMS.

We are requested to announce that Hons. S. H. Rogers and R. B. Gilliam, the Conservative candidates for Congress for this District, will address the citizens of Orange, at Durhams, on Saturday the 16th of July next. Everybody is invited to attend.

WANTED.—A No 3, or No. 4, Washington printing press, second handed but in good order. Apply at this office.

NEW ADS.—Haywood Griffis, Auburn, N. C. has a good cotton gin for sale.

W. H. & R. S. Tucker & Co., have a lot of splendid Japanese and other kinds of fans; also splendid musquito bars.

We learn a telegram was received in the city to-day announcing the death of Col. Heaton, in Washington, last night.

Capt. Lee requests us to say that the Conservative candidates for Wake county are requested to meet the candidates of the other side, at his office, on Monday afternoon next, at 3 o'clock, to arrange for the canvass, &c.

ESCAPED.—Isaiah Jeffreys escaped from jail here to-day, by jumping over the palisade fence, when out emptying slop buckets in the sink. He was in durance vile under a charge of breaking into Dr. Hogg's smoke house, some time since.

After getting over the fence, he made excellent time for the suburbs, distancing all competition, and, no doubt, placed himself on some eminence in sight of his late temporary abode, and enjoyed that view of it to which distance is said to lend enchantment. He has not yet returned.

BAPTIST.—The ordinance of baptism will be administered in the Baptist church tomorrow (Sunday) night.

PEABODY EDUCATION FUND.—We are indebted to Hon. W. A. Graham for a very neatly printed pamphlet copy, of the proceedings of the Trustees of this fund at their annual meeting held at Washington, February 15th 1870. We shall notice some things contained in these proceedings more fully hereafter than we have opportunity of doing to-day.

THE BENNETT CASE.—A juror in this case was drawn this morning and a mistrial was entered. Bennett is recognized to appear again for trial at the next term of the Court. There are two or three other cases of a similar kind still pending against him, but we don't think that, to use the term of the witness, Loring, he is "green" enough to be convicted.

Every body who heard the evidence predicted that he would be convicted, and we *believe* the Court and counsel shared the same opinion. But the Jury could not find a verdict, there being ten for conviction and two for clearing.

The following is a list of the Jurors:

1. W. W. Nichols, of Johnston County.
2. John W. Cotter, "
3. J. J. Overby, of Raleigh.
4. W. D. Haywood, "
5. George E. Byrd, of Harnett County.
6. W. H. Lancaster, of Johnston "
7. R. M. Brown, of Chatham "
8. R. L. Barnett, of Granville "
9. O. W. Belvin, of Wake "
10. W. J. Suit, of " "
11. J. D. Debnam, of Granville "
12. Henry Hughes, (col.) of Raleigh.

The first ten were for conviction, the two last, J. D. Debnam and Henry Hughes, col., *hung the Jury*.

We intended to give a full synopsis of the evidence in this case to day, but being pressed for time and space, are obliged to forego doing so. As the whole thing will have to be gone over again, we will report it in full when it comes up.

LETTER OF ACCEPTANCE OF HON. R. B. GILLIAM.

The Committee who were appointed by the Franklinton Convention to inform the Hon. Robert B. Gilliam of his nomination as the Conservative candidate for Congress, for the short term; and to request his acceptance, have received from him the following answer to their letter, which we publish with pleasure:

OXFORD, June 13th, 1870.

Gentlemen: I have received your letter informing me of my nomination by the Convention lately assembled at Franklinton, as the Conservative candidate, to fill the unexpired term in the present House of Representatives of the United States, for the 4th Congressional District of North Carolina.

I accept the nomination, and beg leave to express my sincere acknowledgements for this high mark of the public confidence. I permit me, also, to express the hope that the unanimity and enthusiasm which you are pleased to say characterized the proceedings of the Convention, are but the indications of an awakened spirit in the people, and of their determination by a united effort at the ballot-box to arrest the misrule with which the country is now unhappily afflicted.

Please accept, gentlemen, the assurance of my high regard.

ROBERT. B. GILLIAM.

To Messrs. Wm. Eaton, R. W. York, H. B. Hunter, and others, Committee.

The inmates of the Goldsboro' jail divide the time between swearing and singing hymns.

Henry Call, a Congressional pet, got himself into a scrape last Saturday night, by appropriating a couple of hogs belonging to Mr. P. H. Sasser, who resides near Goldsboro'.

Mr. S. recovered his property, and Henry made a good record with his party friends.

TIRED OF THEM.—William E. Hill, Esq., of Duplin, who was one of the most influential members of the Republican party in Duplin county, has become sick and tired of the rotten concern, and left it. He made a strong anti Radical speech in the Goldsborough Convention the other day.

We learn that the Masonic dinner and ball at Rocky Mount, on Wednesday, passed off most agreeably.

Wayne county census takers have commenced operations.

A fearful Kerosene accident occured at the residence of Mr. Jno. Dillard, about five miles from Rocky Mount, on Saturday last. We take the following concerning it from the Tarboro *Southerner*:

"In the room at the time of the accident were Mr. and Mrs. Dilliard, the latter confined to her bed, and Mrs. M. Williford, sister to Mrs. Dilliard, who was holding Mrs. D's little infant, about two hours old. Early in the night, while Mr. Dilliard was engaged in filling the lamp while it was lighted, the explosion took place which knocked Mr. D. down and stunned him for a moment. At the same time, the flames communicated to the dress of Mrs. Williford, who was sitting off about two feet, and who immediately ran to an adjoining room, laid the infant in its swaddling clothes on a table, and commenced to extinguish her dress which by the time was in full blaze. Mr. Dilliard, in the meantime, recovering from the stun he had received, went to the assistance of Mrs. W., and seeing the bundle of clothes on the table in a blaze, seized them and threw them out of the door, not knowing their precious contents! On being taken up the infant was found to be dead. But its death by the fall was no doubt sent in mercy, as its body was found to be burned in several places, which would, in all probability, have only prolonged its sufferings for a few hours.

Dr. R. C. Marriott was called in promptly to render medical assistance. He found Mr. Dilliard painfully burned about the face and head, and Mrs. Williford most shockingly injured. Her hands, arms, face and breast are most severely burned, and the Doctor regards her situation as dangerous, although good nursing and management may save her life. Dr. M. thinks it probable, however, that she will never regain the use of her hands and one of her arms."

The Living Machine.

Injure the main spring of a watch, and every portion of the works become disordered. The human stomach is to the human system what that elastic piece of metal is to a chronometer. It influences the action of the other organs, and controls, to a certain extent, the whole living machine. The comparison may be carried further, for as the weakness or other imperfections of the main spring is indicated on the face of the time-piece, so also is the weakness or other disorder of the stomach betrayed by the face of the invalid. The complexion is sallow or faded, the eyes are deficient in lustre and intelligence, and there is a worn, anxious expression in the whole countenance which tell as plainly as written words could do, that the *great nourishing organ* whose office it is to minister to the wants of the body, and to sustain and renew all its parts, is not performing its duty. It requires renovating and regulating and to accomplish this end Hostetter's Stomach Bitters may be truthfully said to be *the one thing needful*. The broken main spring of a watch may be replaced by a new one, but the stomach can only be repaired and strengthened, and this is one of the offices of the famous vegetable restorative which for eighteen years has been waging a successful contest with dyspepsia in all climates. As a specific for indigestion it stands alone. When the resources of the pharmacopoeia have been exhausted, without, at best, doing more than mitigating the complaint, a course of this wholesome and palatable, yet powerful, stomachic effects a perfect and permanent cure. In all cases of dyspepsia the liver is more or less disordered, and upon this important gland, as well as upon the stomach and bowels, the Bitters act with singular distinctness, regulating and reinvigorating every secretive and assimilating organ on which bodily and mental health depend.

WASHINGTON.

WASHINGTON, June 24.—Revenue to-day nearly $1,000,000.

General Longstreet is here.

There will be a majority and minority report on the matter of Hatch's impeachment in San Domingo. The majority report exonerates Gen. Babcock.

The President has himself declared that he intends to remove Motley Minister to England, but it is untrue, as has been stated, that he intends Fish to take his place. The President has never so intimated to Fish, though the latter can have the mission if he should want it.

The Secretary of the Treasury has directed the payment of interest due July 1st, on and after Tuesday next without rebate.

The "Nationals" beat the "Olympics," winning the game to-day. The score stood 23 to 14, leaving the "Nationals" champions of the South.

The President has signed the bill paying loyal citizens for taking census in 1869.

SENATE.—The bill making the 4th of July, Christmas, New Years and Thanksgiving days legal holidays in the District passed.

Fowler and Thurman spoke against Sumner's Cuban resolutions.

Thurman said the resolution were very grandiloquent, but what good would this piece of rhetoric do the Cubans? He was in favor of saying to Spain, and in the simplest words in which it can be expressed, "That you not only ought to recognize the independence of Cuba but you must do it." He would now move to strike out the second and third sections of the resolutions.

Casserly also spoke against the resolutions but was interrupted by the regular order of business.

The tax bill was taken up, when the income tax was stricken out by a vote of 34 to 25, after which the bill was made special order for Monday.

A new apportionment bill was introduced.

HOUSE.—After a prolonged discussion, and a decided negative vote upon mixed schools, the Georgia bill passed in the following shape and goes to the Senate:

SECTION 1. *Be it enacted*, That the State of Georgia having complied with the Reconstruction Acts, and the 14th and 15th articles of amendment to the constitution of the United states having been ratified in good faith by a legal Legislature of said State, it is hereby declared that the State of Georgia is entitled to representation in the Congress of the United States, but nothing in this act contained shall be construed to deprive the people of Georgia of the right to all election for members of the General Assembly of said State, as provided for in the Constitution of said State.

SEC. 2. That so much of the act entitled "an act making appropriations for the year ending June 30 th, 1868, and for other purposes," approved March 2nd 1867, as prohibits the organization, arming or calling into service of the militia forces in the States of Georgia, Mississippi, Texas and Virginia, be, and the same is hereby repealed.

After other unimportant business, the House adjourned.

The Democratic members and Senators have issued an address of which the following is the substance: By the Legislatures elected this year nearly a third of the United States Senate depends. The character of the next Congress depends upon the Fall elections. They have strong reason to hope for fair and favorable results. They beg their Southern fellow citizens not to risk loss by electing persons who cannot take the test oath or later and broader disabilities imposed by the 14th and 15th amendments. They will certainly be excluded.

A full Congressional Committee has been appointed.

The Great Family Medicine of the Age.

THIRTY YEARS

Have elapsed since the introduction of the Pain Killer to the public, and yet at the present time it is more popular and commands a larger sale than ever before. Its popularity is not confined to this country alone; all over the world its beneficial effects in curing the "ills that flesh is heir to," are acknowledged and appreciated, and as a PAIN KILLER its fame is limited to no country, sect nor race. It needs only to be known to be prized.

THIRTY YEARS is certainly a long enough time to prove the efficacy of any medicine, and that the PAIN KILLER is deserving of all the proprietors claim for it, is amply proved by the unparalleled popularity it has attained. It is a sure and EFFECTIVE remedy. Sold by all Druggists.

CHARLOTTE N. C.

THE EQUITABLE

HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (sum assured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1860 it was the 8th Company in new business for the year; in 1861 it was the 8th; in 1862 and 1863 the 7th; in 1864 and 1865 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" AFTER THEY ONCE BEGIN TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AN. THIRTY SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

SWEET QUININE

It's a Recent Improvement.

Replaces the use of the BITTER SULPHATE QUININE, with which all are familiar.

Does for dose, it is

WARRANTED

Fully equal in every way to Bitter Quinine,

AND, LIKE IT, IS THE ONE

Great, Positive, and Unfailing

CURE

For all Diseases of Malarious Origin,

Fever and Ague,
Intermittent Fever,
Chill Fever,
Remittent Fever,
Bilious Fever,
Dumb Ague,

and the long train of disorders following these when neglected.

SWEET QUININE

is made solely from Peruvian Bark (as is Bitter Quinine), therefore is of Vegetable origin, and not a Mineral poison, but on the contrary is proved to be one of the elements found in the blood of all healthy persons.

SWEET QUININE

acts as an antidote to, as well as a cure for, malarial or miasmatic poison, the absorption of which by the lungs causes Intermittent Fever, etc. The only advantage claimed for

SWEET QUININE

over the use of old Bitter Quinine is the entire absence of that intense, persistent bitterness, which in the latter is an insurmountable obstacle to its use with most persons, and always with children.

SWEET QUININE

is in two forms—in POWDER, for the use of Physicians and Druggists, and FLUID, for use in the family and for the general public.

A PROCLAMATION

By His Excellency the Governor of North Carolina.

Executive Department of N C., RALEIGH, June 6th, 1870

WHEREAS, Official information has been received at this Department, that a vacancy exists in the representation from this State in the Congress of the United States, caused by the resignation of Hon. JOHN P. DEWEESE, a member of the House of Representatives from the 4th Congressional District, composed of the counties of Wake, Franklin, Granville, Orange, Johnston, Nash, Chatham and Warren,

Now therefore, I, W. W. HOLDEN, Governor of the State of North Carolina, by virtue of authority vested in me by law, do issue this Proclamation, ordering an election to be held in the various counties composing said District, on the first Thursday in August next, for the purpose of filling the unexpired term of the said JOHN P. DEWEESE. It is further ordered, that said election be held in all respects in accordance with existing laws.

Done at our City of Raleigh, this 6th day (L. S.) of June, 1870, and in the 94th year of our Independence.

W. W. HOLDEN, Governor.

UNPRECEDENTED SUCCESS

Medal Awarded by the Paris Exposition, 1867.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the highest award in premiums and diplomas wherever entered for competition at fairs and exhibitions held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work.

Place it unquestionably far in advance of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch, or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction, comparitively noiseless, easily understood, and in a word it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Miss Tompkins' Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

Instructions in the use of the machine will be given to all purchasers *gratis*.

NON-EXPLOSIVE COMBINATION BURNING FLUID

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD!!

No more Exploded Cans!—No more Exploded Lamps!

No more Smoke!—No more Grease!

No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

It costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 28 years from May 9th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should secure its introduction into every family in the country, where Kerosene Oil is used.

ROCKBRIDGE ALUM SPRINGS, VA.

Open May 15th, 1870.

THIS FAVORITE AND CELEBRATED Watering Place is now in complete order for the reception of guests. Important improvements have been added to the buildings since the establishment passed into the hands of the present proprietor, and it is his purpose to keep it in a style not surpassed anywhere in Virginia. The waters of these special springs either cure or greatly relieve most cases of Scrofula, Incipient Consumption, Chronic Bronchitis, Chronic Laryngitis, Chronic Pneumonia, Chronic Dyspepsia, Chronic Diarrhœa, Painters. They are also a great value in those affections which are peculiar to the female constitution, and as an aperient, a tonic and general restorative, they are, perhaps, unrivalled amongst mineral waters. The proprietor will have provided for the lawns and ballroom a first-class band of music, and in general all the sources of amusement and recreation usually found at our best summer resorts will be at the command of the guests at "ROCKBRIDGE ALUM." The place is within eleven to thirteen hours of Richmond, Washington, Baltimore, &c., by rail, all in daylight. Passengers leave the cars of the Chesapeake and Ohio Railroad at Goshen Depot, and new and elegant stage coaches, passing rapidly over a smooth and level road of only eight miles, set down the visitors at the Springs to tea.

PATENT GLASS SUBMERGED

DOUBLE-ACTING FORCE PUMP,

SUBSTITUTE FOR A FIRE ENGINE.

THIS Pump will pump 20 gallons of water per minute, will never cut out the packing, has no friction, no water ever stands in its pipes to freeze, and is less liable to get out of order than any other pump now used. It can be set up in a short time by any ordinary mechanic.

The No. 3 pump for yard wells will be sold at from $20 to $30, capable of throwing 20 gallons of water per minute. The price of No. 2 for railroad stations, throwing 60 gallons per minute, will be given upon application.

Having the exclusive right to this pump for the states of North and South Carolina, and having established a factory for the manufacture of them at Wilson, N. C., I will receive orders for them at Wilson, and will ship them by Express C. O. D., or, if the money is sent me, by the regular freight. POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks*, upon which elements of administration the security of a Life Insurance Corporation depends.

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *on a certain legal standard of reserve and accumulation*, and to *hold by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.

DR. E. BURKE HAYWOOD,	Examining Physician.
Gen'l. S. B. BUCKNER,	Manager Southern Dep't.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Pliny Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."
